

**HOUCHIN
CONSTRUCTION, INC.**

A name you can build on.

► ABOUT

For over 60 years and 4 generations, Houchin Construction has been excelling in delivering exceptional craftsmanship and meticulous attention to detail for luxury new home construction, sophisticated home remodeling, and high-quality industrial and commercial builds throughout Naples, Florida and the surrounding area. Whether you envision creating your dream home, revitalizing a cherished space, or constructing a state-of-the-art commercial property, we bring years of expertise, innovative design solutions, and an unwavering commitment to quality, ensuring every project surpasses expectations. Trust us to transform your vision into reality through personalized service, a proven track record and superior results. Let's collaborate to build something truly extraordinary.

► A VERSATILE FIRM

We have the capability to handle a wide range of projects across different sectors, styles and scopes. By combining general contracting and working alongside architects, we bring a comprehensive understanding of what it takes to turn your vision into reality. Our proficiency extends from creating “buildable” and cost-effective industrial designs and luxury homes to organizing and coordinating teams and information. Trust us to streamline your project with efficiency, precision, and clear communication every step of the way. In short, we are prepared for anything- delivered with confidence and quality!

► WHITE GLOVE SERVICE

We deliver an elevated, highly personalized experience that goes beyond standard construction practices. When you hire Houchin Construction, you have our commitment to exceptional quality, seamless communication and meticulous attention to detail at every stage of the project. We treat every project like a bespoke masterpiece-where clients feel valued, the process feels effortless and the results exceed expectations.

► TEAM

Houchin Construction is built on excellence, with a dedicated staff of skilled professionals who are truly experts in their craft - committed to quality, precision, and delivering outstanding results on every project, our staff has decades of experience in their area of expertise. We foster a culture of teamwork, appreciation, and support, and enhance our capabilities through a vast network of subcontractors, suppliers, and consultants.

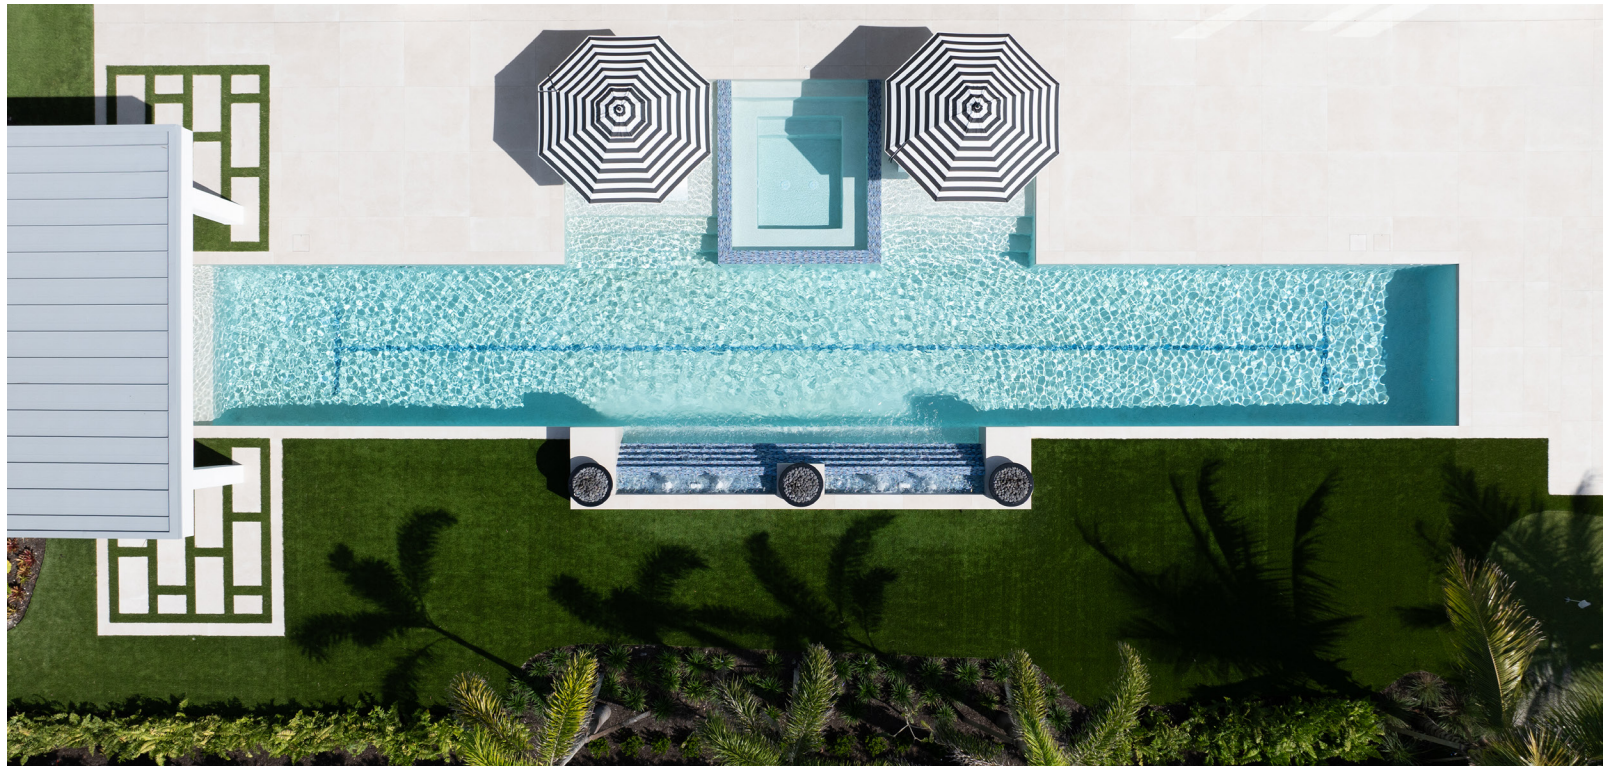

► HOUCHIN TECHNOLOGY

As a luxury builder we find it essential to leverage the latest technology. Our 3D Modeling, Scanning and Laser Layout tools enhance the client experience and elevates the quality of the final project by providing visual clarity, real-time design changes, precision and efficiency.
